## Our Values

Our company values of Integrity, Teamwork, Attitude, Performance and Passion were carefully chosen and form the framework for our commitment to outstanding customer service as well as guiding our daily actions.

Our security officers and management team have these values instilled in them through intensive training and development.

We ensure our team members can represent us and our values diligently and consistently.

## Training and Development

HSSL brings an unparalleled level of quality officers and service to our customers.

We value education highly and understand it's the driving factor in exceeding our client's expectations. Our training programs can be classified into the following categories:

- **Pre-Employment Training**
- **HSSL Company Orientation**
- **Site Specific Training**
- **Advanced Training**
- **Management Training.**

All our officers complete Pre Employment, Company orientation and site specific training. As part of their ongoing development various levels of advanced training are offered through their employment.
